

Business Delegation to Georgia and Armenia

Discover the extensive range of market opportunities in Georgia and Armenia with the Department for International Trade.

This is a fantastic opportunity for you to find out more about the capabilities of two up and coming markets, led by PM's Trade and Investment Envoy to Georgia and Armenia, Mark Pritchard MP.

GEORGIA - Financial and Related Professional Services, Infrastructure and Urban Modernisation.

Georgia is at the crossroads between Europe and Asia, with a reform-minded government, DCFTA Agreement with EU and one of the top ten easiest places to do business in the world. Growth is projected at 4-5 per cent next year, with opportunities in financial and related professional services and infrastructure, including tourism development.

ARMENIA - Renewable Energy, Infrastructure and Urban Modernisation.

With its membership in the Eurasian Economic Union and new comprehensive partnership agreement with the EU, Armenia is seeking to position itself in a strategic economic role in the region. The Armenian Government has recently designed a multi-billion-dollar infrastructure development and urban modernisation programme; and has ambitious plans to develop renewable energy and its tourism infrastructure, offering excellent market-entry opportunities for a wide range of British companies.
